READ—the following papers :—

From the Honorary Secretaries, Town Hall Committee, to the Secretary to Government, Public Works Department, dated Madras, 23rd January 1885.

In terms of a resolution passed at a meeting on the 20th instant by the committee of the Madras town hall, we have the honor to inform you that the design of the building prepared by Mr. R. F. Chisholm of Madras has been accepted, and that the committee are very desirous to obtain the services of that officer to supervise the building operations, which will be commenced immediately.

2. The committee feel that Mr. Chisholm's ability and great local experience will be almost indispensable to successfully carry out his own design for so important a public building, and we are therefore instructed to solicit the favor of the sanction of Government to the services of Mr. Chisholm being lent to the committee to such an extent as will not interfere with his regular official duties, and we have reason to believe that Mr. Chisholm would himself consent to such an arrangement.

3. Trusting that you will be able to send us an early and favorable reply.

From R. F. Chisholm, Esq., Consulting Architect to Government, on special duty, dated 31st January 1885, No. 31, and 13th February 1885, No. 39.
