The rates seem
very high for ordinary
Teak wood furniture.
But as Oakes & Co.
are executing the
order, the margin
for profit is no
doubt considerable.
It was thought
that a native

Carpenter would be
employed by the
Consulting Architect,
one of those who
have recently earned
only work at
Chennai.

For plain teakwood article
the rates appear to me extraordinarily
high. For work of this sort Oakes & Co.
are I should say very expensive. However

authority has apparently been already
given to order the fulfillment, as there
is no help for it but to sanction
the same. I hope the article of which
so high a price is the price will turn
out thoroughly substantial & meet.
