GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From Colonel W. S. TREVOR, R.E., Secretary to the Government of India, Public Works Department (Account—Establishment), to the Secretary to the Government of Madras, Public Works Department, dated Fort William, 3rd February 1885, No. 17 A.E.

A proposal has been made to allow the accountant stationed at Marcara the pay of the next higher or third grade on account of the difficulty experienced by the Examiner, Public Works Accounts, Madras, in keeping an accountant of the fourth grade there, owing, it is said, to the expensiveness of the place for Europeans and the unfavorableness of the climate for the natives. This proposal does not commend itself to the Government of India, but the difficulty complained of would, it is thought, be got over to some extent by placing the two accountants sanctioned for Coorg on the Madras list for the purposes of transfer and promotion. This would allow of the Examiner of Accounts selecting any accountant from the combined list for service in Coorg, and he could then send a third-grade accountant or change the fourth-grade accountant as frequently as may be advisable. I am to inquire whether the Government of Madras has any objection to this arrangement, and, if not, to request that proposals for a combined scale of accountants may be forwarded to the Government of India for sanction, in substitution of the separate scales sanctioned in Public Works Department letters Nos. 711 G. and 861 G., dated 15th May 1883 and 22nd July 1884, respectively.

Office note from the Examiner, Public Works Accounts, dated Madras, 11th February 1885, No. 803.

In letter No. 861 G., dated 22nd July 1884, quoted by the Government of India in their letter under reply, sanction was given to the following scale of permanent establishment of accountants:—

1st grade	...	...	...	...	...	...	...	...	2
2nd "	...	...	...	...	...	...	...	...	3
3rd "	...	...	...	...	...	...	...	...	8
4th "	...	...	...	...	...	...	...	...	17
5th "	...	...	...	...	...	...	...	...	30
Total									60

This sanction, provided for an accountant for the work of No. 2 Tank Maintenance division, but no appointment was made because it was subsequently arranged that the accounts of the two Tank Maintenance divisions sanctioned should be under one accountant. The scale has not therefore been operated on.

2. For Coorg two accountants were separately sanctioned. One of these can be absorbed into the scale for Madras in lieu of the post intended for the second Tank

division, and the other brought into that scale as now proposed by the Government of India. The distribution will then stand as follows:—

1st grade	...	...	...	...	...	...	...	...	...	2
2nd "	...	...	...	...	...	...	...	...	...	3
3rd "	...	...	...	...	...	...	...	...	...	8
4th "	...	...	...	...	...	...	...	...	...	18
5th "	...	...	...	...	...	...	...	...	...	30

The sanction of the Government of India to the entertainment of an additional — on the permanent establishment for the work of Tank Division No. 2, communicated to the Examiner, Public Works Accounts.

Coorg Accountants.

With the proposed pencil addition, I think the draft might go forward. The Accountants will be in excess of the Madras scale, and although the Madras men below them may think themselves injured, the hardship will not be great, as extra posts will be created for the Coorg Accountants. The Examiner apparently sees no hardship in the case.

I believe the Coorg Accountants are on a "local" and not a "general" list. The

Govt of India have not
therefore so much
freedom of action in
regard to promotion
and transfer as
was thought.
