Read—the following letter from the Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 2nd April 1884, No. 1723:—

With reference to G.O., No. 491, dated 11th March 1884, Public Department,

Second-class station-house at Cherambadi	4,040
Seven huts at Cherambadi	5,300
Second-class station-house at Nellakota	4,040
Five huts at Nellakota	3,670
Third-class station-house at Nadgany	3,410
Three huts at Nadgany	2,277

I have the honor to forward, for early sanction, Public Works Department estimates for the police works noted in the margin, which are to be built according to the standard designs. The Superintending Engineer, in forwarding the estimates, &c., says that the site plan for Nadgany will be sent as soon as it is received from the Executive Engineer, Nilgiri division.

2. In the preliminary issue of Public Works Department budget estimate,

Provincial services, for the year 1884-85, circulated with G.O., No. 250, Miscellaneous, dated 29th January 1884, Judicial Department, two third-class station-houses for Cherambadi and Nellakota are shown under head "minor works;" but at the instance of the Superintendent of Police, Coimbatore, and in accordance with my letter,

No. 42, dated 8th January 1884, to Government, estimates have been prepared for second-class station-houses at these places.

Second-class station-house at Cherambadi	4,040
Seven huts at Cherambadi	5,300
Second-class station-house at Nellakota	4,040
Five huts at Nellakota	3,670
Third-class station-house at Nadgany	3,410

All the marginally-noted works, except three police huts at Nadgany, costing Rs. 2,277, now included in the list of minor works, will, according to the estimates now forwarded for sanction, become

major works, and separate appropriations are solicited in the final issue of the Public Works Department budget for 1884-85. It will also be observed that the sums (Rs. 4,200 and Rs. 3,000) severally allotted for seven huts at Cherambadi and five huts at Nellakota prior to the submission of estimates are insufficient, the estimates amounting to Rs. 5,300 and Rs. 3,670, respectively.

3. The urgency of these works has been fully explained in my letter to Government above quoted and also in that of the Collector of the Nilgiri district, embodied in G.O., No. 2923, dated 6th November 1883, Judicial Department.

Order—dated 29th April 1884, Mis. No. 1032, Judicial.

The estimates are sanctioned. The papers will be transferred to the Public Works Department.
