17TH MARCH 1885, No. 647 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Military Works.

READ—the following papers :—

From Colonel H. L. PRENDERGAST, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepak, 2nd March 1885, No. 4455.

I have the honor to report that the municipality of Bangalore have agreed with the Executive Engineer,* Public Works Department, that they will maintain the roads in the cantonment at the rate of Rs. 300 per mile per annum. The total length of the roads is 21 miles, as shown in the enclosed list, and the sum proposed to be paid over to the municipality is Rs. 6,300.

2. The average annual expenditure on these roads for the past four years has been Rs. 7,737, or Rs. 368-6-10 per mile. All the Mysore Government roads within the limits of the municipality have already been made over to them, and the present proposal will place all the roads at Bangalore under one authority, namely, the President of the Municipal Commission. The same course is followed at Madras, and, in recommending that the proposal may be sanctioned, I request that early orders may be passed, in order that the necessary arrangements may be made for the transfer of the roads from the end of the current month.
