Office note from the Examiner, Public Works Accounts, dated 6th March 1885, No. 886.

The entries in column "present scale" of proposition statement have been checked and found correct. The word "supervisor" must be inserted for "superintendent on Rs. 150," and the establishment of 1 clerk, IV class, 3rd grade, at Rs. 20, and 1 lascar at Rs. 6 per mensem, sanctioned for him in G.O., No. 279, of 6th February 1885, has been omitted from the statement.

Order—dated 17th March 1885, No. 648 W., Public Works.

The temporary establishment proposed for the Barur project division during 1885-86 is sanctioned. The proposition statement has been recast, and shows an increase of Rs. 20 per mensem over the existing sanction.

2. The necessary funds will be provided in the final issue of the Provincial budget for 1885-86.

3. This sanction has been registered as Provincial No. 92 W. of 1884-85, and classified as Establishment, Temporary.

Read—the following papers :—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer for Irrigation, dated Ootacamund, 3rd January 1885, No. 1 E.I.

In reply to your memorandum, No. $\frac{\text{IV.}}{\text{35 S.L.}}$, of 16th instant, I have the honor to state that, in my opinion, there is ample work on the Barur project for a supervisor in addition to the present establishment of two temporary overseers.

2. The difficulty is to find a suitable person—a man of experience and proved efficiency in carrying out large works—such a man as D. Ramanah Naidu, the anicut superintendent at Dowlaishweram, whom I recommended to you for the post some months ago.

3. I, herewith, submit a statement, in Public Works Code form No. 184, for the sanction of Government.

	Per annum ...	2,862

The amount required for payment during the current official year is about Rs. 360.

2. I take the opportunity of proposing that the officer in charge of the temporary Barur division should have charge of all works in the Hosúr and Krishnagiri taluks, and I request sanction to this arrangement.

P.S.—The Examiner should supply one accountant.

No. 5 E. W.

Endorsement on the above.

Forwarded to the Chief Engineer, Public Works Department, for disposal.

2. In letter, No. 2675 W., dated 24th September 1883, to the Government of India, a 2nd-class office establishment was originally proposed for the Barur Project division, and it was remarked that this establishment was within the competence of this Government to sanction, and would accordingly be entertained on receipt of the sanction of the Government of India to the appointment of an Executive Engineer to the project. As the Superintending Engineer now requests the early sanction of Government for an office establishment, it is recommended that he be authorised to entertain a 3rd-class office establishment as proposed by him, at a cost of Rs. 238½ per mensem, and that the Examiner be instructed to supply an accountant.

3. The proposal made by the Superintending Engineer in paragraph 2 of his letter is supported.

Captn. Hoddly, who reported his arrival this morning, will continue to draw only furlough pay until he joins at Karwar, unless some special temporary arrangement can be made. Captn. Hoddly wants to remain in Madras for 7 or 8 days to get outfit, servants, &c, & I would suggest that he be attached during that time to the Irrigation Branch of Secretariat to make himself acquainted with the details of the project, orders thereon, &c.

C.S.

21-1-84

In meantime he could communicate with S.E. IV asking for instructions as to meeting him, joining his Hd. Quarters, &c.

I see no objection to what is proposed above.

Most honored Sir,

We, the undersigned clerks of your honor's office, most humbly beg leave to submit the following lines for your favourable consideration and support.

1 We trust it will be in your honor's recollection that Government, in consideration of the temporary nature of the Division have pleased to sanction the pay of the next higher grade* for the two Project Overseers.

* G.O. No. 3384 W of 27-11-83

2 Similar indulgence was also sanctioned by Government, in their order No. 372 W of 12th February 1884, on the recommendation by the local officers in behalf of the two Draftsmen of the Division, by raising their pay from Rs 42½ and 25 as originally proposed⊗ to Rs 60 and 45 respectively.

⊗ G.O. No. 200 W of 23-1-84

3 Our accommodation here is

is simply one or two roomed huts, for which we are paying house rent varying from Rs $2\frac{1}{2}$ to $1\frac{1}{2}$. On several occasions we had to send for the necessary provisions of life from distant places and thus to incur extra expenses. Even in permanent Divisions stationed at the metropolis, the clerks are allowed an increment to their pay after the completion of one year's service.

4 Under these circumstances, we, who equally undergo the above inconveniences with the draftsmen &ca humbly beg that your honor will be graciously pleased to recommend for the sanction of Government, at least the mean pay of our present grades as originally proposed by the Superintending Engineer and supported by the Chief Engineer for Irrigation.

To the Superintending Engineer for disposal.

The petition is reasonable and the undersigned supports it –

P.R. No. 209 W of 23rd Jan 1884 sanctions one clerk at Rs 35, and two clerks at Rs 25 each, but they are now drawing respectively Rs 30 and Rs 20 each –

This being an out of the way place and possessing many disadvantages, the increase of the above clerks pay to mean pay is recommended –

This rate has been entered in the proposed scale for 1885–86.
