GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following papers :—

From the Superintending Engineer, III circle, dated 1st October 1884.

Certificate and report from the Examiner of Public Works Accounts, to the Acting Under Secretary to Government, Pension department, dated Madras, 20th December 1884, No. 861 A.-R.

Certified that, should Government consider that dismissal from Local Fund service does not deprive the applicant of any retiring allowance to which he would be otherwise entitled in respect of his previous services in the Public Works department, qualifying service in superior grades will amount to 14 years 1 month and 1 day, and that a compensation gratuity, not exceeding Rs. 240, equal to 12 months' emoluments, at Rs. 20 per mensem, will be admissible under sections 104 and 113 (a) of the Civil Pension Code.

2. The calculations have been duly verified. The compensation gratuity, if sanctioned, is chargeable to General (now Provincial) Revenues.

3. With reference to section 134, rule 4, attention is invited to section 69 of the Civil Pension Code.

No. 5.

Transferred to the Accountant-General, through whom it should have been submitted.

FORT ST. GEORGE,  
6th February 1885.

M. HAMMICK,  
*Ag. Asst. Secy. to Govt.*

To the Accountant-General, with papers.  
,, Examiner of Public Works Accounts.

Certificate and report from W. T. PIERCY, Esq., Assistant Accountant-General, to the Acting Under Secretary to Government, Pension department, dated Fort St. George, 24th February 1885, No. A.D.J.-778.

Submitted to Government. The applicant's service (in the Imperial Public Works department) in superior grades, as reported by the Examiner, Public Works Accounts, amounts to 14 years and 1 month. On the 1st January 1880 he was transferred to service under Local Fund Board, Bellary district, as his appointment in the Imperial department was abolished owing to reduction of establishment. He served in the Local Fund department up to 30th August 1883, when he was dismissed from the service "for neglect of duty and for loose habits."

2. It is provided in G.O., No. 193, dated 16th February 1881, that in the case of transfer of an officer under circumstances similar to those of the applicant, his combined services should be taken into account, and that the pension or gratuity admissible for both services should be debited to "General Revenues" and "Local Funds," according to the "rule of proportions." Applying that order strictly to the present case, it would follow that the applicant lost all claim for a gratuity (*vide* section 101 of the Civil Pension Code). Should Government, however, under the spirit of their Order, No. 2170, dated 27th September 1883, Financial, be pleased to hold that the applicant's dismissal from service under Local Fund Board does not interfere with his claim for gratuity due for service rendered up to 31st December 1879 in the Imperial Public Works department, he may be granted the amount of compensation gratuity recommended by the Examiner, Public Works Accounts, in his report, No. 861, dated 20th December 1884.

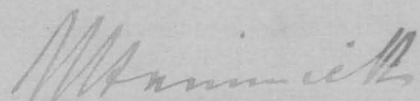

ORDER—dated 11th March 1885, No. 346, Pension.

No pension or gratuity can be granted to the applicant under present circumstances. If, however, he should be permitted to re-enter the public service, his former service under Government will count towards pension under G.O., Financial, 27th September 1883, No. 2170, in the absence of special order to the contrary.

2. The Examiner of Public Works Accounts will state why he submitted this case to Government direct, instead of through the Accountant-General for the usual verification and report of the applicant's service in the Local Funds as was done in similar cases noted in the margin. His attention is also drawn to G.O., 6th May 1884, No. 356.

GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

From Captain H. D. LOVE, R.E., Principal, Civil Engineering College, to the Director of Public Instruction, dated Madras, 3rd March 1885, No. 809-C.

In continuation of my No. 682-C, dated 3rd February 1885, I have the honor to inform you that out of the ten students of the College Engineer class who appeared for the B. C. E. degree in January last, seven have been successful, and have been classed as follows :—

S. A. Subrahmanya Aiyar, B.A., first class.  
S. A. Swaminatha Aiyar, B.A., second class.  
K. R. Rangaswami Aiyangar,  
V. R. Rangaswami Aiyar,  
T. S. Sesa Aiyangar,  
J. E. A. D'Cruz,  
M. Ramakrishna Aiyar, } third class.

2. This is the largest number of candidates who have ever secured the Engineering degree in any one year ; and it is the third occasion in the history of the college in which the degree has been taken in the first class, the previous occasions having been in 1876 and 1884, respectively.

3. I have pleasure in reporting that all the ten College students have already secured employment, which, if not in all cases of the superior character which they can ultimately look forward to, will serve to give them that practical experience which is required to supplement their college training.

4. Excluding the first man, who is guaranteed an appointment in the Engineer establishment of the Public Works department, one has been appointed to the Revenue Survey, one to State Railway Surveys, three to the Subordinate establishment, Public Works department, and four to Surveys in connection with relief works.

No. 1284.

Endorsement on the above.

Submitted for the information of Government.
