Sir,

ENCLOSURE.

I have the honor to state that the Executive Engineer, Negapatam Division, has in his 747 dated 6th Instant reported that a Second European sergeant Instructor has been attached to the South India Railway Volunteer Rifle Corps, and is at present residing in a hired building at Negapatam as Government buildings are not available at that Station; and that generally Sergeant Instructors who are not provided with suitable accommodation by Government are put to great inconvenience for want of proper quarters at Negapatam

and

and Rs 15 are often found not sufficient.

2 In the present instance, the Executive Engineer has recommended house rent allowance of Rs 18 from 1st February/85.

The payment for March will be made in April, and it will be met from the Grant for next official year, which will be applied for in my Statement of demands to be submitted in May 1885. x under Imperial Military Repairs
