GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

READ—the following letter from F. N. THOROWGOOD, Esq., M. INST. C.E.
Superintendent, Madras Harbour Works, to the Secretary to Government,
Public Works Department, dated Madras, 20th March 1885, No. 42 W.:—

I have the honor to report that I shall require a large consignment (about 2,500)
of sleepers for the restoration works of the Madras harbour.

2. I may be permitted to bring to mind that in 1879 I obtained all sleepers
for the works through the Forest Department (*vide* G.O., No. 2105 W., dated 7th
September 1880).

3. I have the honor to ask permission to address the Conservator of Forests on
this subject again; and, at the same time, I would draw attention to the excellent
profit made on the former occasion by the Forest Department (*viz.*, a profit of
Rs. 9,001 out of an expenditure from the harbour works of Rs. 17,976) as shown in the
proceedings of Government attached to the Government order above quoted, suggesting
that a slightly lower rate of charge would still amply repay the department.

ORDER—dated 23rd March 1885, No. 725 W., Public Works.

The Superintendent of the Harbour Works is authorised to obtain, from the
Forest Department, the sleepers required for the works.

2. The question of cost will be considered in the Revenue Department.
