

Through the First Assistant, Public Department.

To,  
The Honorable E. J. Webster,  
Chief Secretary to Government.

Sir,

We, the undersigned members of the Secretariat, who have been allotted quarters in Crewe Hall for the coming season, respectfully beg to bring to notice the very unsatisfactory state and insufficiency of the furniture in that house.

In P.G. (P.W.D.) No 527 W, dated 7<sup>th</sup> March 1885, an estimate amounting to Rs 1870 for furnishing the new quarters on Stonehouse hill was sanctioned; and the quarters occupied by the married Clerks at Otley Hall, were last year suitably furnished by Messrs Oakes & Co. The furniture at Crewe Hall, however, has been standing for years, and last year there was scarcely a good chair in the place, and some of these have now been, we understand, repaired by simply nailing a bit

of canvas across for the seat.

We therefore most respectfully  
beg that orders may be issued with  
a view to remedy the present state of  
things.

Your most obedient servants.
