Civil Works.

READ—the following letter from G. HAMNETT, Esq., Inspector-General of Registration, to the Chief Secretary to Government, dated Madras, 13th March 1885, No. 1293 :—

In G. O., Judicial, Mis. No. 318, dated 20th April 1882, sanction was granted for renting a building for the sub-registry office opened at Vartirayiruppu in the Tinnevely district. The building taken up belonged to an anglo-vernacular school which had been closed. The manager of the school now wishes that it should be vacated. There is no room in the taluk cutcherry, and no other suitable private building can be procured in which the office can be held for any time.

2. The office has, since its opening, been doing very well, and I have the honor

to recommend that the sanction of the Government may be given for the construction of an office, on the standard terraced design, at an early date.
