THE Chief Engineer

Enclosures. /

SIR,

I have the honor to report that the present arrangement by which the accounts of the Red Hills Division are submitted through the Colingdale Division office has been found inconvenient, and after consultation with the Examiner, I am of opinion that an accountant should be provided for the former Division in addition to the clerical establishment mentioned in G. O. No. 202 W. dated 24 January 1885, and the accounts prepared in the usual manner.

The Examiner informs me that he will be prepared to post an accountant of Grade from his own office, the accountants' plan being fixed by a clerk on Rs 60 per month.

At the same time the extra clerk now employed in the Colingdale office

a salary of Rs 35 per month will be dispensed with, so that the extra expenditure over and above that already sanctioned in G.O. No. 202 W of 24 January 1885 will be Rs 25 per month.

Sanction is requested to this arrangement and a proposition statement in the prescribed form is submitted herewith.

I have the honor to be,
Sir,

Your most obedient servant
