Read—the following letter from C. A. GALTON, Esq., Acting Collector of Bellary, to the Secretary to the Board of Revenue, dated 12th February 1885, No. 500:—

With reference to Board's Mis. No. 1156, dated the 6th instant, I have the honor to state that the work of enlarging my printing office was not intended for execution by the Revenue Department. Out of the current year's grant to this district, for petty construction and repairs of civil buildings, only about Rs. 250 are available. I request therefore that Government may be moved to pass orders for provision of funds in the budget of the Public Works Department, as I am of opinion that the work should be executed by that department.

2. The enclosures of the proceedings under reference are resubmitted.

Resolution—dated 10th March 1885, Mis. No. 2294.

Submitted to Government, with the recommendation that funds may be allotted in the Public Works budget for 1885-86.

Estimate for enlarging the —, sanctioned

Proceedings of the Board of Revenue.

Dated 6th February 1885.

No. 1156. Miscellaneous.

READ the following letter from the Acting Col-
lector of Bellary to the Secretary to the Board
of Revenue, Madras, dated 20 January
1885 N^o. 191.

" In their Proceedings N^o. 7644 dated
8th September 1883 the Board sanctioned
Mr. Goodrich's proposal to publish
the Bellary District Gazette in English,
Tulu and Canarese.
Canarese types have recently been
sent to me by Messrs. Anandaram
and Sons according to my indent
forwarded to them with Proceedings, Mis-
cellaneous N^o. 1274 dated 12th February
1884. There being no sufficient ac-
commodation in the Printing Office
for the cases made up to hold the
types, I addressed the Executive
Engineer, Bellary Division and
obtained from him a plan and
an Estimate for extension of accom-
modation by the addition of a room
with

with a Verandah on two sides of it.

I have the honor to submit them to the Board with specification and report, and to request that they will be good enough to sanction the extension of the building and provide funds this year if possible.

Resolution.

The Estimate is sanctioned on the assumption that the work is intended for execution by the Revenue Department. If so the charge can be met from savings in the current year's Budget under "Civil Buildings - Public Works in Charge of Civil Officers."

2. If the Collector considers that the work should be carried out by the Public Works Department, the sanction of Government will be necessary for the provision of funds in the Budget of that Department.
