GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from the Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 15th March 1885, No. 2886 G.D.:—

I have the honor to bring to your notice that the Godavari Eastern division officer reports that one of the Government buildings at Dumagudem known as "Overseer's bungalow" was set fire to by some persons unknown on the night of the 20th ultimo and was destroyed. This building stands in the books at a value of Rs. 3,531 and it was rented to Mr. Bowden's agent at that place.

2. I enclose copy of the sub-divisional officer's letter reporting the case. The police have been communicated with on the subject.

ENCLOSURE.

From C. W. TRAISH, Esq., Supervisor, Sub-division Office, Dumagudem, to the Executive Engineer, Godavari Eastern Division, dated 2nd March 1885, No. 257.

A few days ago (16) it appears some persons unknown set fire to some of the houses in the village; on the same eve they tried to set fire to one of the Government houses by means of a rag and fire; this was caught and the danger avoided; on the 18th again an attempt was made and by a similar means and it was just discovered in time to save the house. Last night a third attempt was made and this time with success, so that the Government house, No. 2, has been destroyed. I have in my possession the rag with which the second attempt was made, and have reported the matter to the police. I beg you will likewise have a report made to the Superintendent of Police, as it is believed a set of men are going about with the object of setting houses on fire, several houses having now been burnt and that on three occasions. The means (oil-rag and fire) of the first occasion were discovered and I believe given over to the police.

ORDER—dated 30th March 1885, No. 772 W., Public Works.

The result of the police inquiry should be reported.
