READ—the following letter from D. C. GORDON, Esq., Examiner, Public Works Accounts, to the Secretary to Government, Public Works Department, dated Madras, 26th March 1885, No. 139 W. :—

With reference to G.O. No. 3127 W., dated 19th December 1884, and G.O. No. 66 W., of 9th January 1885, I have the honor to forward, for information of Government, two original statements (which kindly return) furnished by the Superintendent, Madras Harbour Works, showing the arrangement which we propose for adoption in recasting the details of expenditure on the works.

2. It will be noticed that the date to which outlay has been taken is the 31st December 1884, instead of 30th April 1884, the amount being Rs. 69,04,090. Of this amount Rs. 65,63,647 is proposed to be set against the old work previous to the commencement of the restoration, and Rs. 3,40,443 to be set against the restoration estimate, which has been submitted for Rs. 45,90,051.

3. The revised estimate for the works has not yet been sanctioned, and expenditure is consequently being shown as against the old estimates. The recasting of the details as now proposed will have effect in the accounts so soon as sanction to the revised estimate has been received.

ORDER—dated 30th March 1885, No. 776 W., Public Works.

The arrangements proposed in the foregoing letter are approved.

2. Ordered that a copy of these proceedings be forwarded to the Government of India, with advertence to endorsement, from this department, No. 3128 W., dated 19th December 1884, and with request that early sanction to the estimates for the reconstruction of the Madras harbour may be communicated to this Government.
