GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following letter from W. B. deWINTON, Esq., General Superintendent, Public Works Workshops, to the Superintending Engineer, V Circle, dated Madras, 19th January 1885, No. 1339 W. :—

In February 1883 a type writing machine, belonging to Mr. Bliss, Commissioner of Salt Revenue, was sent to the Workshops for repair, by the Deputy Chief Engineer, Public Works Department, in office note, No. 351 D., dated 15th February 1883.

2. It was repaired and returned to Mr. Bliss, and a bill for Rs. 6-3-0 sent for adjustment in August 1883. To this a reply was received in December 1883 that, as the machine was returned in no way improved, the bill would not be paid. Captain Baddeley then sent for the machine, which was returned with the remark that it was then in much better condition than when first returned from the Workshops, because the owner had spent much time in cleaning and adjusting it. It was finally repaired and returned, and on payment being again requested, in December 1884, it was again refused on the ground that the owner had been compelled to have it repaired elsewhere.

3. As there appears to be no prospect of realising the sum, I have the honor to request that you will obtain the sanction of Government to write the amount off to "profit and loss."

Endorsement on the above.

No. 4011.

Forwarded to the Chief Engineer, Public Works Department, for sanction.

27th January 1885.

ORDER—dated 11th February 1885, No. 321 W., Public Works.

In the circumstances reported, the charge will be written off to "profit and loss."

BOARD'S GEN. REG. N° 1697 of 1885

and Akkari
OFFICE OF THE COMM. OF SALT REVENUE,

Madras,

Dated March 9, 1885.

From

H. W. BLISS, Esq.,

Commissioner of Salt Revenue, and Akkari

To

The Secretary to the
Board of Revenue,
Madras.

Sir,

With reference to the Board's Proceedings N° 688 dated March 2, 1885, I think it right to say that I do not own the Type-writing machine referred to either in my official or in my private capacity. It belongs to a member of my family, not to me. I had nothing to do with sending it to the Public Works workshops for repair. The circumstances are however correctly stated and the refusal to pay for no work done had my approval.

I have the honor to be,

Sir,

Your most obedient Servant,

H. W. Bliss

Commissioner of Salt Revenue, and Akkari
