Pensions.

Read the following paper :—

No. 273. *From Colonel J. W. CLELAND-HENDERSON, Superintendent of Pensions, to Lieutenant-Colonel A. KENNEY-HERBERT, Officiating Secretary to Government, Military Department; dated Fort St. George, 13th March 1885, No. 2930.*

I have the honor to bring the following to the notice of Government and request that I may be favored with orders thereon.

2. Pensioned heirs Ramjee and Muhammad Sahib, Nos. 1748 and 1781, of 7th class, both pensioned from 1st May 1848, the former on Rs. 3-2-8 as the son and heir of the late Lascar Venkiah of the late 42nd Regiment, Native Infantry, and the latter on Rs. 5-4-0 as the son and heir of the late Havildar Shaik Sultan of the same corps, are reported by the Officer in Charge of Pensioners at Masulipatam to

Pensioned heir Ramjee, No. 1748, from April 1874 till February 1879 at Rs. 5 per month, and from March 1879 to November 1884 at Rs. 7 per month.

Pensioned Muhammad Sahib, No. 1781, from June 1876 to 1st May 1879, and from 25th July 1882 to November 1884 at Rs. 7 per month.

have, whilst employed in the Public Works and Government Telegraph departments on salaries and for periods as shown in the margin, been drawing their pensions, whereas agreeably to para. 85, page 50, of the Pension Code, the former is entitled to no pension, and the latter to a portion only, viz., Rs. 1-12-0.

3. The first pensioner pleads ignorance of the rules on the subject; and the second states that, before he was employed, a reference had been made to Colonel Marshall, late in Charge of Pensioners at Masulipatam, by the pensioner's employer "asking whether there was any objection" to the pensioner's "employment," as he "was a Government pensioner." Colonel Marshall, after referring to the rules on the subject, replied "that, since the pay would be less than that of his father's at the time of his death, there was no objection." To ascertain the truthfulness of this statement, a reference has been made by the pension paying officer to the telegraph master, who replied as follows :—"I can't exactly remember the whole of the circumstances alluded to. Some difficulty arose in the entertainment of the man owing to his being a pensioner, and a reference made to Colonel Marshall, whether official or demi-official it is now hard to say, but I think the latter; hence no records of the correspondence."

4. The paying officer reports that he "finds notice has been published and read out to all pensioners and heirs that they are to make known to their pension paying officer that they are employed as certified by heirs No. 2354 and No. 10325" of "7th class."

5. The amount overdrawn by each of the pensioners are noted against their names in the margin, and if it is decided that these amounts, or the double of them, should be recovered from the said pensioners who are still in employment,

I beg that orders may be passed that recoveries may be effected from Ramjee in the Public Works Department, and from Muhammad Sahib by stopping the portion of the pension, viz., Rs. 1-12-0, to which he is entitled, and which is one-third of the amount of his full pension, viz., Rs. 5-4-0.
