Communicating the sanction of the Government of India, to the grant of compensation to Hospital Purveyors of the 1st, 2nd and 3rd class, when suitable quarters cannot be provided for them.

1/12/84
It is not clear to me that this should be sanctioned right off without further inquiry. Is it not possible that all this time there may have been quarters which the surveyor could have occupied & thus saved this compensation? It is not in my mind sufficient that he occupied no public quarters — did he ask for private quarters & was he ~~then~~ ^{then} ~~not~~ ^{not} ~~informed~~ ^{informed} ~~that~~ ^{that} ~~no~~ ^{no} ~~quarters~~ ^{quarters} ~~were~~ ^{were} ~~available~~ ^{available}?

Dr. The draft order proposes to admit the claim subject to the conditions prescribed in Code para 1465, clause (1), i.e., before the money is paid, the ~~Dr. Sur.~~ ^{Dr. Sur.} will have to ~~certify~~ ^{sign} the title "in token of there being no suitable quarters available."

If quarters have been available all along, the claim will necessarily be rejected.

SIR,

I have the honor to bring to your notice that a claim for compensation for quarters for a 2^d class Purveyor attached to the Station Hospital at the Mount from 14th November 1881 to 29th February 1884 at the rate of 7 per mensem was received by the Executive Engineer on the 5th April 1884 with the Medical Officers explanation that the Purveyor Thangachelala Muthu did not prefer his claim

claim for house rent in
due course because he
was not aware of any orders
on the subject till recently.

The Examiner of
Public Works Accounts
has stated that the
claim is admissible
under Code para 1463 (F)
but that as the claim
is of old date and the
amount is large it is
desirable that the sanction
of Government should be
obtained to the payment.

It has been ascertained
by the Executive
Engineer that Thanigachel.
la Mudu was a 2^d
Class surveyor and was
employed as such for the
whole period for which
compensation is claimed
and

and that he occupied no
public quarters during
that time.

I have the honor to request
that sanction may be
given to the payment
of the arrears of house rent
to the Surveyor amounting
to Rupees 192-15-6.

Further information is in my
opinion requisite before admitting
the Purveyor's claim. The plea of
ignorance of the rules scarcely
justifies him in accepting a claim
extending over two years and a
quarter. It was surely the duty
of some responsible Officer of the
Medical or Commissariat Department to
have protected the subordinate's
interest and obtained for him as it
became due, what he was considered
entitled to.

wise, the compensation may be paid

With reference to Proceedings of Government, No. 3014, dated 24th June 1884, on the subject of compensation for quarters to hospital purveyors, I have the honor to point out that in Proceedings of Government, No. 6010, dated 14th November 1881 (a copy of which was received in this office on the 9th June 1884), no scale for house-rent is laid down for hospital purveyors of the third class.

2. In the column of remarks opposite this rank of servants in the Proceedings of Government last quoted, it is mentioned that hospital purveyors of third class are abolished by G.O.G.G., No. 1, of 1873.

3. The G.O.G.G. in question refers to the Bengal presidency, as in G.O.G.G., No. 182, dated 11th July 1873, it was notified that the provisions of G.O.G.G., No. 1, dated 9th January 1873, regarding hospital purveyors would not be acted upon in this presidency.

4. As there are three classes of hospital purveyors in this presidency drawing the rates of pay marginally noted, I request I may be favored with the orders of Government as to the amount of compensation to be paid to hospital purveyors, third class.
