READ—the following papers :—

From the Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 11th March 1885, No. 2827 G.D.

I have the honor to bring to your notice that the personal allowance for one lascar and one messenger in the Godavari Central division, which is paid every month at one rupee each, according to G.O. No. 1636 W., dated the 12th July 1880, was by mistake omitted in the statement submitted with my letter No. 1561 G.D., dated the 16th September 1884, and consequently

* No. 2729 W. of 4th November 1884. the Government order* passed thereon did not contain provision for the allowance. The Central division officer now reports that the Examiner of Public Works Accounts has objected to pass this allowance in the absence of renewed sanction of Government, which, I trust, you will be good enough to obtain at an early date.

From the Examiner, Public Works Accounts, dated 27th March 1885, No. 967.

ORDER—dated 31st March 1885, No. 787 W., Public Works.

The messenger and lascar in question will be allowed pay on the temporary establishment at the rate of Rs. 7 per mensem, instead of Rs. 6 as sanctioned in G.O., No. 2729 W., dated 4th November 1884.
