TO

The Director of
Public Instruction, Madras.

SIR,

Enclosure
One

I have the honour to request sanction to the inclusion in the compound of the Principal's Quarters of a plot of ground, coloured yellow in the accompanying plan, and measuring about 0.45 acre.

2. It will be observed that the present boundary contains a re-entering angle on the South side. Within this angle, bullock handies congregate during the day, and their drivers trespass into the Principal's Compound, break down the fence, and render themselves otherwise objectionable.

3. By fencing in the plot referred to, which is waste ground,
