

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From J. W. RUNDALL, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Masulipatam, 8th September 1884, No. 190 G.-L.

Among the recently-issued Addenda and Corrigenda to the Civil Travelling Allowance Code, there is the following :—

No. 229. "An Assistant Superintendent of Police in independent charge of a district, whether permanently or temporarily, is entitled to draw travelling allowance as if he were a District Superintendent of Police."

2. I beg to submit that a similar concession might equitably be made to officers of the Public Works Department, and that an Assistant Engineer in charge of a division should be allowed to draw the same rate of travelling allowance as an Executive Engineer.

3. Officers who take charge of higher posts are generally put to extra expense, which should be recouped to them.

4. There would be no extra charge to the State, because an assistant would (as a rule) hold charge of a division, because no Executive Engineer was available, and hence no Executive Engineer could be drawing the allowance.

5. Should you agree with me, I trust you will be good enough to lay the matter before Government for orders.

6. I have long felt that there should be a standing rule of this kind, and as the equity of the rule has been acknowledged in one branch of the public service, I trust it may be extended to others also.

From the Examiner of Public Works Accounts, dated 18th September 1884, No. 446.

ORDER—dated 24th October 1884, No. 2608 W., Public Works.

Under section 10 of the Civil Travelling Allowance Code, the Government can, by special order, authorise, to an officer placed in charge of the current duties of an office, the grant of the travelling allowance attached to that office. Cases of the nature referred to by the Superintending Engineer, II Circle, in paragraphs 3 and 4 of his letter, will always receive due consideration if specially reported for the orders of Government.

If Government consider
that the duties performed by Mr.
