Read the following papers:—

From Brigadier-General R. C. STEWART, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 27th February 1885, No. 736 A.

With reference to paragraph 27 of Commissary-General's letter, No. 4666, dated 1st December 1884, and this office No. 2447 A., dated 15th, recorded in proceedings of Madras Government, No. 6401, of 26th idem, I have the honor, by desire of His Excellency the Commander-in-Chief, to submit, for the sanction of Government and transfer to the Public Works Department for disposal, the accompanying plan and estimate, amounting to Rs. 650, for converting five of the married quarters at Calicut into a commissariat serjeant's quarters and store-rooms. The plan, &c., have been countersigned.

2. His Excellency also desires me to point out how very desirable it is that the commissariat serjeant, as well as the stores for the use of the detachment at that out-post, should be located at "West Hill," and not, as at present, in the town some three miles from the barracks, and to add that the family quarters, which it is now proposed to convert into stores, &c., are not required for their original purpose, there being an amply sufficient number of quarters without them.
