To The General Supt  
Public Stores & Stores

Sir,  
I most humbly beg leave to bring  
the following to your kind consideration  
in the firmest hope, that they will meet  
with your approbation and obtain the  
redress sought.

I was entertained in the Stone  
Dept. in April 1857 on a salary of Rs 25 per  
mensem, and was promoted to Rs 60 in  
September 1859 as Asst. Store Keeper and  
to Rs 70 in October 1861.

In the year 1880, when the  
Government <sup>ordered</sup> the P. S. Stores establishment  
to be brought under the graded system  
I was placed in a grade fitted to my  
then salary and ranked as Rs 3<sup>rd</sup> class.  
2<sup>nd</sup> grade, which gave me an increase  
of Rs 10 by an annual increment of Rs 4;  
and I now draw the maximum salary  
Rs 80. Thus it will be seen, that the only  
increase I had was only Rs 10 for the  
last 20 years.

I was lately recommended

Hd

by the <sup>late</sup> Genl Supt, to the Supt Engineer  
5<sup>th</sup> grade for an increase, but to my  
misfortune, that Officer has returned  
the letter, stating that there was  
no special reason for recommending  
me to go on for higher rate of pay.

With reference to the above  
I beg to submit that ~~my~~ work has  
been so much increased by the addition  
of State Railway work, that I am  
obliged, ~~from December last~~, to attend  
almost every day early by 8. Am.  
at the beach, and also on all the  
holy-days and Sundays when called  
upon by the Master Attendant Dept  
to work.

The 2<sup>nd</sup> Assist Master Attendant  
Dept and that of the Supt Harbour  
Dept, from the 1<sup>st</sup> of the Dept down  
to Janiespales, and Pions, get two days  
additional pay on all Close holy-days  
and Sundays when they are called  
upon to work, besides over-time pay  
for attending on works, out of their usual  
office hours.

Under the above Circumstances

I beg to solicit, that you will be  
pleased to recommend me either for  
the same indulgence granted to the  
Marine Dept, or to any fixed allowance  
out of the Agency charge of 5 per Cent  
recovered from the State Railway  
Dept.

For which act of kindness, I am  
in duty bound shall ever pray.

I beg to remain  
Yours most obedient servant,  
H. Luyappan  
Chief Store Keeper  
R. S. S. S.

He lost nearly the whole of the Christmas holidays, and has worked on 7 out of the 10 Sundays since January.

5. It is also true that the subordinates of the Marine Department get double pay for all work done out of hours and on holidays, and Sundays.

6. I think, therefore, that you will agree with me that he is entitled either to the same privileges as the subordinates of the Marine Department who do similar work or to a fixed monthly allowance, chargeable to the receipts from Agency charges on the value of stores forwarded.

7. I think this latter plan would be the most sustainable and satisfactory, and judging from the number of Sundays and holidays, and the extra hours during which he has hitherto worked, I consider that a fixed monthly allowance of Rupees 20, would not be more than sufficient remuneration for such extra work.

8. I append a Statement of receipts and payments under head Agency charges to Jan<sup>y</sup> 1885, by which you will see that the Fund can well stand the additional charge.

9. The applicant is thoroughly deserving and bears an excellent character and I beg that you will be good enough to forward his application to Government with your favorable recommendation.

I have the honor to be,  
Sir,  
Your most Obedient Servant

I think the General  
Superintendent has  
shown that there are  
grounds for extra  
remuneration being  
given to the Assistant  
Storekeeper Solyappah  
Mood. and I re-  
commend that the  
fixed monthly al-  
lowance of 20 Rupees  
may be sanctioned,  
rather than that extra  
pay should be paid  
for extra  
hours, holidays and  
Sundays.

Your O.N. No. 724 D. dated 23rd.  
March 1885.

So far as I am aware, overtime allowances are not recognized in this Branch of the Department. I would therefore suggest that the grading of the appointment, while held by the present incumbent, C. Solyappa Mudaliar, be fixed if Government think fit as clerk III Class 1st. Grade (80-100). This will give him the prospect of rising up to Rs. 100 per mensem, by annual increments and will in time, increase the amount of pensionary allowance otherwise admissible, thus directly and indirectly compensating him for the extra work devolved on him.

3. The result as regards final cost of Establishment will be the same, as if any additional allowance given were to be met from the

The proposal does not, I think, meet the case. Considered pay with, in course of time, come to be regarded as the ordinary pay of the appointment, and overtime work will be again felt as a grievance.

S.S.

C. A. W.

Quite so. I think the case would be best met by sanctioning a personal allowance of Rs. 20 - as recommended by C.E. - during such period as work in connection with State Railway stores may devolve on Solyappa. That is well within power of Local Fund?

C.S.

The grant of this allowance is within the power of the Local Fund.

Is there not an order to the effect

The accompanying  
papers on the subject  
have been collected.  
There is no doubt  
that the general  
tenor of the rules  
is to this effect.  
When a case goes  
before the Govt of  
India, they do not  
readily sanction it.

There is nothing definite in the  
subject, tho' no doubt f. of I. at times  
grants against such allowances. I had  
thought there was a formal order on the  
subject. The sanction to a personal  
allowance may now be drafted.
