

19TH SEPTEMBER 1884, No. 2312 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from A. B. SAMPSON, Esq., Under Secretary to the Government of India, Public Works Department (General), to the Secretary to the Government of Madras, Public Works Department, dated Simla, 25th August 1884, No. 1003 G. :—

I am directed to acknowledge the receipt of your letter, No. 1832 W., dated 28th July 1884, on the subject of the allowance to be drawn by Mr. Lewis, Assistant Engineer, 1st grade, on the permanent establishment, for the period he held charge of the West Godáviri division, during the absence, on privilege leave for three months, of Mr. J. Paul. In reply, I am to state that section 138 rule 2 of the Civil Leave Code governs the case, notwithstanding that Mr. Paul is substantively a permanent servant of Government, so that if he continued to draw the pay of the temporary appointment he holds while on privilege leave, no acting allowance is admissible to Mr. Lewis for officiating in it.

2. The Government of India, however, is of opinion that, if a permanent officer holds one of these outside appointments and goes on privilege leave, he should revert to his permanent appointment and pay for the period of his privilege leave, so as to allow his *locum tenens* to benefit by his absence.

ORDER—dated 19th September 1884, No. 2312 W., Public Works.

His Excellency the Governor in Council concurs in the opinion of the Government of India as expressed in paragraph 2 of the above letter. Mr. Paul must accordingly revert to his substantive rank during absence on privilege leave; and Mr. Lewis, who held charge of the division during Mr. Paul's absence, will receive the pay and allowances of an Executive Engineer on the temporary establishment for the period in question.
