of a suitable temporary Executive Engineer for charge of the Ramnath Division, it became necessary to detach for the purpose, from the permanent establishment, Mr. J. M. Bell, Executive Engineer 3rd grade, who joined the division on the forenoon of the 18th March 1885.

2. If a qualified temporary Engineer can be nominated to the post hereafter, a further report will be made to the Government of India.

It having been definitely settled that Mr. Bell is to take the Ramnath Division, his posting should I think be communicated to J. of I. as sanction was originally asked for & accorded to an E.E. in No. 550, & Mr. Bell is an E.E. 3rd grade. It may be stated that it having been found impossible to obtain service of a suitable temporary E.E. for charge of Ramnath Division, it has been found necessary to detach an E.E. from the permanent establishment for the purpose.

Same should be reported to Govt of Wards. — Ctd.
