Mr Lewis' case.

Section 107 of the Code is undoubted of the correct rule to quote.

The original proposal was to appoint Mr Lewis a temporary Sub. Supr., & Para 125 was therefore quoted. It was afterwards decided to appoint him a temp. Supervisor & inadvertently the Code para was not altered.

Proposed now to issue the draft as altered in pencil.

to D. W.

I have no objection to the proposal contained in attached draft, to appoint Mr Lewis a temporary ~~Sub~~ Supervisor on 200/-

There is however something wrong in the wording of the draft.

Section 125 of P.W. Code governs case of men to be appointed Sub. Engineer, & was correctly quoted by C in note W. 35 of 15.4.85.

But that Section does not seem applicable to proposal to appoint Mr Lewis as Supervisor.

Please make necessary alteration in draft, & issue.

The accompanying deo. notification, appointing Mr. Lewis temporary Supervisor on Rs. 200 from the 24th February, is submitted for your approval.

There seemed to me many objections to the proposal as originally made by Col. Morant. I have discussed the matter with him & he will be satisfied if Mr. Lewis gets Rs. 200 with allowances. This will give Mr. L. about Rs. 100 more than he now draws.

There are vacancies in our temporary scale to admit of this appointment, which will last only until I can get a good Warrant for the C. A's Division. Supt Smith will be back in May, and our establishment consisting of Mr. Stephens, Supt Smith, & an Warrant of grade, should be ample for present requirements.

Dr

Proposal to appoint Mr
Lewis, of the Comg. Architects
office, a temporary Sub
Engineer on Rs 250 per
mensem.

There is a vacant
on temporary scale
functioned post of Rs 250,
against which Mr Lewis
can be appointed.

It may be worth while
however to bring to notice
that if appointed a temp.
Sub Engineer on Rs 250,
Mr Lewis would draw -

Pay	Rs 250
Presy. Allow	50
Presy. House rent	20
Sub Div. Allow	30
Ann allow	30
Total Rs 380	

or Rs 180 in excess of
his present salary of
Rs 200 per mensem -

If appointed temp.
Supervisor on Rs 200
per mensem, he would

draw

Pay ————— Rs 200
Presy. Allen ——— 30
" H. rent ——— 10
Sub Div. Allen ——— 30
House Allen ——— 30
Rs 300

And it may be considered
that the additional Rs 100
which he would draw in
the shape of allowances
will sufficiently compensate
him for the additional
work he is now per-
forming -

In any case, it
is presumed the ~~transfer~~
~~correspondence~~ arrangement
will hold good only
until another subordinate
can be posted to C.A.'s
division, & it is a question
for consideration whether
it is worth while putting
Govt. to an extra expenditure
of Rs 100 per mensem for
the period.

Should Government with reference to Code para 125, consider that Mr. Lewis is a person possessing special and superior qualifications as a practical Engineer, he may be appointed a temporary Sub Engineer on Rs. 250/- per mensem, against one of the appointments sanctioned by the Government of India for Tank Divisions, allowing him to retain a lien on his substantive appointment of Clerk I Class 3rd Grade in the office of Consulting Architect to Government, under the provisions of Section 75 of the Civil Pension Code.
