passed by Government and it was only on receiving my revised Plans that Government were pleased to direct that they should be scrutinized by the Department of Public Works. I have no possible objection to offer to the proposal, that the plans should be drawn out by the Department of Public Works except that I cannot with my unskilled staff undertake to carry out the works in accordance with the Department of Public Works plans, and if Government decide to adhere to their orders, I hope that they will direct that these works be executed by the Department of Public Works, but if they are not prepared to adopt this innovation at present. I trust that they may be pleased to sanction my revised Plans as they are, and to this end I resubmit them herewith.

Order thereon, 18th October 1884, No. 2676 Jus.

The Agency work will, under the circumstances represented, continue to be executed without the supervision of the Public Works Department. The Asst's plans were referred to the Public Works Department because the first set he forwarded were apparently very carelessly drawn up, he should in future be careful to draw up his estimates and plans so that they will not need revision.

From

H. G. Turner Esqre.

To The Honorable E. F. Webster,
Chief Secretary to Govern-
ment
Cocacamund.

Sir.

With reference to G.O. dated 25th July last No 1666 Judicial Department I have the honor to inform you that for a long time it has been usual for the Department to submit, for the sanction of Government, only rough Estimates such as those submitted with this Office letter No 374 dated 7th May last, and the Government have always passed such Estimates without recourse to the Department of Public Works. The reason is that the Agency Establishments are not able to understand and work up to the Department of Public Works Plans and Estimates.

2 In the instance under discussion, the first set of Plans submitted with my letter No 211 dated 30 March 1883 were at once passed

No. 962, Judicial.

Transferred to the Public Works Department with copy of G.O., No. 1178, dated 30th April 1883, and with plan and estimates.

OOTACAMUND,
16th May 1883.

(Signed) C. G. MASTER,
Chief Secretary.

ORDER—dated 17th May 1883, No. 1435 W., A. Public Works.

It is observed that these estimates, sanctioned in the Judicial Department without professional scrutiny, amount in the aggregate to Rs. 6,000, and funds to this extent from the Provincial Reserve will now be placed at the disposal of the Agent to the Governor at Vizagapatam, under whose supervision the works are to be carried out.

2. The following telegram will be despatched to the Agent, who is anxious to commence the works so as to utilize the short working season:—

"Rs. six thousand allotted from the Public Works Provincial Reserve for works sanctioned in G.O., 1178, dated 30th April, Judicial."

G.O., dated 30th April 1883, Mis. No. 1178, Judicial.

Read—the following letter from the Agent to the Governor, Vizagapatam, to the Chief Secretary to Government, dated 30th March 1883, No. 211:—

Referring to paragraph 3 of G.O., dated 23rd November last, No. 1941, Judicial, I have the honor to submit, for the sanction of Government, a plan in accordance to which I propose to provide accommodation for a taluk office with a station and sub-jail, and for the Sub-Magistrate and his clerks, at each of the newly-selected Sub-Magistrates' stations of Potinghy, Paderu and Bissemcuttack. Rough estimates, as per margin, are enclosed for sanction for erecting the buildings, which are estimated to cost Rs. 2,000 in round numbers at each place. Costly buildings are not necessary at present. The works will be carried out departmentally, and they can be completed in two or three months. As this is the best working season on the hills, I solicit early sanction for these proposals and for the necessary funds.

	Rs.
1. Estimate for constructing a Taluk Magistrate's Office, a Police Station and Sub-jail (roof tiled, walls stone in mud)	1,500
2. Do. do. a house for Sub-Magistrate (roof thatched, walls mud).	185
3. Do. do. houses for the Sub-Magistrate's three Clerks (roof thatched, walls mud)	285
	1,970

Or Rs. 2,000 in round numbers for a station. Rs. 6,000 for the three stations.

Order—dated 30th April 1883, Mis. No. 1178, Judicial.

The following telegram will be despatched to the Agent:—

"Your letter, 30th March. Plan and estimates are sanctioned."

2. Access to the record-room from the verandah seems objectionable. The doorway should be put back so as to open into the Magistrate's office.
