From

^{Joint} The Secretary to Government
Public Works Department
Railway Branch
Bellary 28th August 1885.

Sir,

With reference to para 3 of the pro-
ceedings of the Madras Government N: 1838W
of the 8th August 1885, authorising to write off
the amount overdrawn by the late Mr
Nordmann to Establishment Salaries and
with reference to proceedings N: 1795W of the
31st July 1885 that the late Mr Nordmann's
allowances and liabilities should be adjusted
against the Railway Relief Works, as the late
Executive Engineer was posted to Provincial,
I have the honor to invite attention to
proceedings of the Revenue Department N:
151 of the 6th February 1885, from which it
would appear that the Hindupur Railway
is a Protective Work, (Imperial) and as such
that the Government of India would re-
coup Provincial services for the funds supplied
as a temporary arrangement due to distress
in the localities through which the line
runs.

2. Under these circumstances and
from

from the fact that although posted to the
Hindupur Relief Works, the late Mr Nord-
mann did not work on the line. I
would beg that the Secretary to Government
Public Works Department, Buildings and Roads
may be asked to reconsider the orders issued.

3. I may add that the late Mr
Nordmann joined the Hindupur line on
the 14th April 1885 (Friday) and left on the
16th idem (Sunday)

4. The Engineer in Chief Madras
State Railways was desired to move in the
matter but he declined to do so on the
ground that when S.O. N: 1795 of the 31st July
1885 was passed the Government must have
been aware of the existence of S.O. N: 151
Revenue dated 8th February 1883-

W.

Your O.N. No. 2010 D. dated 3rd.
September 1885.

The balance outstanding in
the State Railway Accounts against
the late Mr. Nordmann, may, if Govt.
see fit, be transferred to my Office
for adjustment.

1. I do not however think
there is any ground in the arguments
put forward for effecting this. The
recoupment to Provincial would I
understand to be partial, i.e. normal
cost would be recouped by Imperial,
Provincial bearing the excess due
to famine rates, and in arriving at
the total outlay to be so divided
one of the items would be for Mr.
Nordmann's pay along with the other
Provincial Establishment employed
on the Relief works.

2. That Mr. Nordmann was unable
to do any work was an accident.

Had he fallen ill a month later,
and gone on privilege leave, his
leave allowance would have been
charged against the Relief Works
although he was doing no service.
