GOVERNMENT OF MADRAS.
MILITARY DEPARTMENT.

9th September 1885, No. 4956.

Drill and Instruction.

Read the following:—

No. 96. *Extract of a Military Despatch from the Right Honorable the Secretary of State for India; dated 6th August 1885, No. 52.*

Para. 4. In your Military letter, No. 31, dated 15th April 1885, para. 8, a requisition for 14 maps, 14 sets of apparatus, and 10 copies of rules for war games was forwarded.

The War Office have informed me that this demand could not be complied with for seven or eight months, owing to the delay in getting the boxes, and it is suggested that, with the patterns already in India, the stores now indented for could be made at Roorkee as well as, and more cheaply than, in this country.

Two sets of Kriegspiel, one set of maps, and one set of revised rules were shipped for the use of the Military Department, Bengal, per steamship *Ghoorka*, in April 1884, and a large quantity of component parts of sets was shipped to Madras in 1884 per steamships *Tasmania* and *Cormorant* in July and November respectively, and per parcels post of the 12th November, on Madras Military letter, No. 136, dated 18th December 1882, para. 2.

I desire to be informed whether local supply of these war games will not be more expeditious and cheaper than supply from this country.

No. 97. ORDER THEREON, 9th September 1885, No. 4956.

Communicated to the Provincial Commander-in-Chief, with reference to Proceedings of Government, No. 1987, dated 15th April 1885, and for favor of report, in communication with the General Superintendent, Public Works Workshops, Madras, as to whether the stores in question can be locally obtained.
