the honor to bring to your notice
mark against entry No. 17 in
"Limitations and Exceptions"
B of the Travelling Allowance Code
sed to the spirit of rule
the same Code. The remark
conveyance allowance to
be granted by Local Govt.
as in rule 6 of section
that Suptg. Engineers
ance allowance of Rs 15

I consider that rule
than the remark
and corrigenda No. 134
of the Travelling

efore requires revision
ought into harmony
rule 6 of section 29.

Letter from the Suptg. Engr. I. Arle
N^o 699 G.D. of 4th July 1885 to the Examiners
P.W. Accounts. —

I have the honor to bring to your notice
that the remark against entry N^o 17 in
the column "Limitations and Exceptions"
of Schedule B of the Travelling Allowance
Code is opposed to the spirit of rule
section 29 of the same Code. The remark
says that conveyance allowance to
overseers may be granted by Local Govt.
- ment whereas in rule 6 of section 29
it is said that Suptg. Engineers
grant conveyance allowance of Rs 15
sub overseers. I consider that rule 6
more correct than the remark.
Addenda and corrigenda N^o 134
6 of section 28 of the Travelling
Code First Edition. The remark
question therefore requires revision
as to be brought into harmony
rule 6 of section 29.

Endorsement No. 234 S.E.I. d/23 July/85.

Forwarded for such action as Government may consider necessary.

It will be seen on reference to the old edition of the Civil Travelling Allowance Code (section 28 rule 6) that the words "Local Government" were subsequently modified by Standing Order No. 134 of 1883, but item 16 of old Schedule B was left unaltered.
