thus presents a swollen appearance
on the angular view. When the
conductor is being fixed
defect might be remedied. It
would also greatly add to the
appearance of the monument if
the inscription letters were better
formed.

I am obliged to
send this paper on
to you as it is - as
I cannot get hold
of the file on the
subject. Perhaps it
is a copy.

As no reference
is given by C.A. it is
not known what par-
ticular paper may be
required. The last paper
on the subject of frame
of the R.R. & H.M. Adam
is Memoir No. 1350 E of
8-8-85 - This relates to
an outline of No. 161 and
from the entry (abstract)
in the Memoir book seems
to come from the E. E.
Presidency J.P. - This Memoir
and file have never been
sent to the Record Section
nor to the Indexer & search
has been made for it
since yesterday & it cannot
be found - Do you recollect
anything of it - or would
it be of use in the
disposal of the present
case? J.D. 18/9/85 -

The whole bill is
necessary. a bill of Rs.

transfer of the charge

to works and
where passed
accordingly.
The papers passed
thru C. & B's
hands. Perhaps
they may know
something abt
them.
