23rd September 1885.

From R. F. CHISHOLM, Esq., Consulting Architect to Government, to the Chief Engineer, Public Works Department, dated Chepāk, 28th September 1885, No. 965.

I have the honor to return the papers forwarded to me with your memorandum No. 654 E. The items of punkahs and shelves should have been included in the estimate (*vide* Code, chapter VIII, paragraph 1156), but it must be remembered that it is almost impossible to obtain from an officer who is to occupy a new building a list of his requirements until he can actually see the building and think out the internal arrangements. In the present case neither the officer who countersigned the plans nor the departments who passed the estimates noticed the omission.

ORDER—dated 19th October 1885, No. 2435 W., Public Works.

The estimate, amounting to Rs. 1,640, for fixtures required for the new Ophthalmic Hospital at Madras, is sanctioned as supplemental to the estimate of Rs. 98,163 sanctioned in G.O., No. 1402 W., dated 16th June 1885.

2. The estimate, amounting to Rs. 575, for blinds should be carried out by the departmental officer occupying the building (*vide* paragraph 1158 of the Public Works Code).

3. This sanction has been registered as Provincial No. 150 W. of 1885-86, and classified as Civil Buildings, Original Works.

The accompanying estimates for fixtures & blinds for the new ophthalmic hospital at Madras appear to provide for items not included in the original estimate of Rs 1,36,910, which was afterwards sanctioned.

The passing of the estimates, the supply of which at Rs 575 for blinds, must be obtained for execution by the Medical Dept. under Code para 1158.

For orders whether the estimates may be sent to Madras for the usual sanction.

Ch

I think C.A should be asked to explain why the estimate did not include the items which now require to be added to it.

To W

C.A's explanation received & submitted herein vide 965 & 28.9.85.

At a place like Madras it is hardly necessary for an officer to actually see a building before it can strike him what punkahs will be needed.

If approved, the bill will now be sent to Audit for scrutiny & disposal in accordance with note overleaf.
