Resolution—

The Government of India is pleased to approve of the change contemplated in the resolution read above, in regard to the procedure for the allotment and re-appropriation of funds for minor works connected with the Postal and Telegraph departments.

The annual grants for both major and minor works will, for the future, be at the disposal of the heads of the departments named, who are also empowered to apply to the Government of India direct for permission to re-appropriate from the grant of one province to that of another; and no new minor work should be undertaken without the consent of the head of the department concerned.

Order—

Ordered that the foregoing be communicated to the Local Governments and Administrations noted in the margin for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab, in the Public Works Department.
The Chief Commissioners of the Central Provinces, Assam, and Coorg.
The Resident at Hyderabad.
The Agents to the Governor-General for Central India, Rajputana, and Biluchistan.

Ordered also that a copy be forwarded to the Director-General of the Post Office of India and the Director-General of Telegraphs for information and guidance.

ORDER—dated 9th April 1885, No. 863 W., Public Works.

Communicated to officers of the Public Works Department for information and guidance.

The matter is one purely of account, & if the C does not consider it necessary that we should give a Divisional proportionate charge on account of tools & plant, I do not see why we should desire to do so.

The C is the responsible adviser of Govt. in such matters, vide Code para 359, & it is only right that we should take his advice in good part.

To be consistent, B should have added proportionate charges in account. Est. & T & P. to the sum placed at disposal of D.G. of P.O.

Your office note No: 4684/19th Septr. 1885.

At the time when a certain grant is placed at the disposal of the Director General of the Postal or Telegraph Departments, it is impossible to know whether that grant will be transferred to works out of the Presidency or will be appropriated to works within the Presidency. It is necessary therefore that the share of Establishment and Tools and Plant charges should be included whenever grants are placed at the disposal of the heads of the Departments named; and as the state of grant shown in the P.W. Registers under "Imperial Civil Buildings, Roads and Services" will always include the grants remaining at the disposal of the Directors

neral of the Postal and Telegraph Depart-
ments, it is immaterial if in the case of
appropriations for works within the Presi-
dency, the corresponding share of Esta-

are transferred.

The Govt. of India Resolution
No: 91 A. G. d/27th March 1885 lays down
that "the annual grants for both major

at the disposal of the heads of the
Departments named," and lays down
also that the grants so placed are subject
to transfer for works out of the Presidency,
in which case the proportionate grants for
Establishment and Tools and Plant
should also be included. It does not follow
therefore that the grants placed at the
disposal of the heads of the Postal and

The grants for Establishment and Tools and Plant are provided in lump sums in the Budget irrespective of individual works, and in making reappropriations for works, the Govt. does not reappropriate proportionate amounts under Establishment and Tools and Plant. This should also apply to the grants with the Director Generals Postal and Telegraph, excepting when transfers are made on account of works out of the Presidency when proportionate grants for Establishment and Tools and Plant will have to be made from the lump sum grants under those heads at the disposal of this Department, so long as grants for Establishment and Tools and Plant were not placed at the disposal of the Directors General when originally placing them with funds on account of works.

To

W.

I am of opinion that as the surrender reported by the Supg. Engineer 5th. Circle, is, in the present instance still at the disposal of the Director General and not transferred to works out of the Presidency, the amount so placed should not include its share for Establishment and Tools and Plant. From Government of India Resolution No. 91 A. G. dated 27th. March 1885, it is evident that the grants at the disposal of the Directors General of the Postal and Telegraph Departments are only for works, and therefore the sum now transferred to the Director General of Telegraphs should be only that for the work in question exclusive of Establishment and Tools and Plant.
