READ—the following paper:—

No. 1144 T.J.

Report by the Superintending Engineer, VI Circle, on the estimate for altering the portion of the old taluk cutcherry for the accommodation of the sub-registrar's office at Tiruvadi, in Tanjore district, Rs. 1,120.

The estimate is called for in G.O., No. 2877 W., of 12th October 1884, and prepared in accordance with the suggestions made by the Inspector-General of Registration in his letter, No. 3964, of 21st September 1884.

2. The proposed additions and alterations allow much more space, both for the sub-registrar and his records, than that given in the standard design. The rates are fair, and the estimate is recommended for sanction.

3. The work will be completed within four months from date of sanction and allotment of funds.
