READ—the following papers:—

From F. N. THOROWGOOD, Esq., M. INST. C. E., Superintendent, Madras Harbour Works, to the Secretary to Government, Public Works Department, dated Madras, 10th October 1884, No. 21 W.

I have the honor to forward for the sanction of Government, the budget estimate for 1885-86 of the establishments for the Madras Harbour Works.

From the same officer, dated Madras, 16th October 1884, No. 23 W.

I have the honor to acknowledge the receipt, this day, of your endorsement or note (No. 768 E., of the 14th October, returned herewith in original), upon this office letter of 15th August 1884, No. 18 W., in which you ask my opinion as to whether special application to the Government of India is now desirable for a grant of Rs. 25,000 expended on the purchase of Carlton House.

2. I wish I could reply more definitely, but with my present information I am unable to do so.

3. In the budget estimate submitted by me (letter, No. 21 W., dated 10th October 1884) for the year 1885-86 and for the remaining portion of this current year, I put down Rs. 2,24,300 as being possibly required for machinery, plant, &c., before 31st March 1885. This estimate is based upon the conclusions arrived at during the time I was working in London.

4. If there is any chance of all or even a fair proportion of this sum of Rs. 2,24,300 being granted shortly for the *new works*, it will not be necessary to apply for the Rs. 25,000. But if there is a certainty of the original sanctioned grant of Rs. 1,79,900 for the current year being rigidly adhered to up to March 31st, then there is no doubt whatever that the Rs. 25,000 expended on Carlton House will be required for the work as now going on.

ORDER—dated 19th November 1884, No. 2891 W., Public Works.

The revised estimate of the Madras Harbour Works for 1884-85 and the budget estimate for 1885-86, submitted by the Superintendent in charge of the works, will be forwarded for the sanction of the Government of India with recommendation that early orders be passed thereon.

2. It is observed that the revised estimate for the current official year is in excess of the grant already sanctioned by Rs. 2,24,300. The increase is explained to be necessary to provide for expenditure based on the conclusions arrived at during Mr. Thorowgood's stay in England.

3. The two clerks on Rs. 17½ each, provided in the budget estimate under Petty and Office establishments, are in excess of the sanctioned scale, and should not be entertained without specific authority.

READ—the following letter from F. N. THOROWGOOD, Esq., M. Inst. C.E., Super-
intendent, Madras Harbour Works, to the Secretary to Government, Public
Works Department, dated 1st December 1885, No. 43 W. :—

With reference to G.O., No. 2834 W., dated 26th November 1885, I have
the honor to inform you that a sum of
* Rs. 1,17,937,* or thereabouts, is required
to be paid in England for stores to be

consigned to these works from September 1885 to March 1886. The value of stores
received since applying, on 12th October, for the grant of Rs. 5,30,546 up to date,
including railway bills for haulage of stones from Pallavaram, amounts to Rs. 85,000
approximately, and as I had no means of ascertaining that the value of London stores
alone to the extent of Rs. 73,249 would be adjusted before December 1885, I have
the honor respectfully to request sanction to an additional grant of Rs. 85,000 to meet
the adjustments in question, as the sum of Rs. 5,30,546 allotted in G.O., No. 2738 W.,
dated 16th November 1885, is now found to be insufficient.

ORDER—dated 3rd December 1885, No. 2880 W., Public Works.

Ordered to be forwarded to the Government of India, with advertence to their
letter, No. 299 A.G., dated 5th November 1885, and with request that the further
estimated expenditure of Rs. 85,000 may be accepted.
