GOVERNMENT OF MADRAS.

PUBLIC DEPARTMENT.

READ—the following paper:—

From Mrs. MARY SCHARLIEB, M.B. & B.S. (London), to the Chief Secretary to Government, dated Egmore, 19th March 1886.

I have the honor to inquire whether the restriction laid down in the letter from the Government of India recorded in G.O., No. 2291, Public, dated 4th December 1883, viz., that medical certificates should ordinarily be accepted only from Government medical officers, is considered to apply to my case.

2. I hold the appointment under Government of Lecturer to the Female Class at the Medical College, and am also Superintendent of the Victoria Caste and Gosha Hospital; and in both these positions I am "under Government control and supervision."

3. Under these circumstances, I venture to request that certificates granted by me to Government servants may be accepted and recognised as valid certificates; and, if the Government are disposed to favorably view my application, I further beg to request that Government be pleased to pass orders accordingly.

ORDER—dated 2nd April 1886, No. 699, Public.

As Mrs. Scharlieb is "under Government control and supervision," medical certificates granted by her to Government servants will be accepted and recognised as valid certificates.
