ABSTRACT.—Passing orders on Proceedings of the Board of Revenue, dated 3rd November 1885, Mis. No. 10495.

READ—also the following paper:—

From Lieutenant-Colonel J. PENNYCUICK, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 19th March 1886, No. 1939 T.J.:—

In continuation of Colonel Mead's letter, No. — of 3rd instant, I have the honor to enclose an original letter from the Rev. F. Rapatel, s.j., accepting the offer of Rs. 30,000 for the buildings of St. Joseph's College, Negapatam.

ENCLOSURE.

From the Rev. F. RAPATEL, s.j., to the Superintending Engineer, VI Circle, dated Trichinopoly, 17th March 1886.

I beg to state that I have submitted to my superiors the Government offer of Rs. (30,000) thirty thousand as the price for all the buildings of the Negapatam St. Joseph's College. Though this sum appears out of proportion to the value of the property, as however they have in former communications professed their willingness to accept the price Government would think proper to propose, and since Government give to understand they are not prepared to give a higher price, they have authorized me to accept the sum offered.

Therefore I beg to inform you that I am at the disposal of Government to execute the sale deed when and in the manner they will require.

No. 1181 C.

Dear Pennington,

I have to acknowledge
 receipt of your letter of the 21st
 enclosing a note for land use
 from Col Pole Carew respecting
 our Volunteer Head Quarters.

The old Cutchery is the only
 place suitable for our Head
 Quarters as it is so near the
 Railway Station, & so convenient
 for the Volunteers to concentrate
 at for drill & Rifle practice.

The College Buildings are too far
 away & would not be suitable
 for us. Colonel Shaw Stewart

arrived here yesterday by steamer
from Madras with Capt. Taylor
to inspect the Port & Bridges etc
and he along with Col. Mead &
self visited the Cutchery, and
College Buildings, and he was
to think favorable to our having
the Cutchery, and also appeared
to think well of the purchase
of the College Buildings by Govt.
for the concentration of all the
Public Offices. he was anxious
to know if the Jemits had
made any offer to sell the whole
place for Rs 30000 or 40000.

If a bona fide offer can be
obtained from them & forwarded to
Shaw Stewart I think it would
help matters on

of the 27th March regarding
St. Joseph's College buildings at
Neyyattalam I have the
honour to report that in my
opinion Government should
in no account pay more

In replying to official memorandum W.P. 716 dated 2.6.3.85, I stated that I was not disposed to recommend the Govt. to give a sum higher than 40,000/-

At same time I drew attention to my previous note of 4.2.85, and stated I had reason to believe that an offer of Rs 30,000/- would be accepted, - on which terms I considered the purchase would be highly favourable to the Govt. -
