

Sirs,

note. Mr. Brewster conducted
preliminaries in connection
with the execution of the
Contract, & this probably
leads many a Co. to
address him still.
Cc.

I Circle, Dowlaishuram,
that all Communica-
tions on the subject,
should except replies
to references from this
office. Should be
addressed to that
officer. Colonel
Burton has now
no connection with
the work.

The Suby Engr
I Circle has been
instructed by wire
to see to the inspection
of the iron work at
once.
