GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following letter from Lieutenant-Colonel J. L. L. MORANT, R.E.,
Superintending Engineer, II Circle, to the Chief Engineer, Public Works
Department, dated Gandavaram, 15th February 1886, No. 364 G.L.—
Through the Examiner, Public Work Accounts:—

I have the honor to forward, herewith, for your approval and sanction of Govern-
ment, a statement of temporary establishment required for general and water-regulation
purposes of the department in the six divisions of this Circle during 1886-87, in form
No. M. 184.

2. The enclosed statement is prepared only for the office establishment, &c.,
required, as the upper subordinate establishment is generally supplied to each Circle
according to the exigencies of the Government service, a definite scale for which
was promised in G.O., No. 922 W., of the 18th April 1885.

3. The following is the abstract of the temporary establishment applied for
for 1886-87.

Division.	FOR THE WHOLE YEAR.		FOR CERTAIN MONTHS DURING THE YEAR.		Total.
	General.		General.	Water- regulation.	
	Per mensem.	Per annum.			
	RS.	RS.	RS.	RS.	RS.
Kistna Eastern	135	1,620	..	102	1,722
Kistna Western	55	660	..	492	1,152
Gudivada	541	6,492	815	114	7,422
Nellore	74	888	..	1,134	2,022
Sangam Project	145½	1,746	3,438	96	5,280
Buckingham Canal	200	2,400	63	..	2,463
Total	1,150½	13,806	4,317	1,938	20,061

The total of the temporary establishment applied for for 1886-87 is less than the
existing sanctions by Rs. 5,594, as noted below:—

	RS.
Under permanent establishment, less	5,154
Do. temporary do.	440
Do. water-regulation do.	..
Total, less	5,594

4. Under "General Establishment," there are no changes in the three Kistna
divisions calling for special remark. In the Nellore division, provision has been made
for the office establishment of the Assistant Engineer, &c., recently sent to that division
for completing the Project works recently sanctioned by the Secretary of State. In the
Sangam Project division, some of the posts sanctioned in 1885-86 for the whole year
have been transferred to the head "For certain months during the year," as it is
proposed to dispense with those posts during the next year. In the Buckingham
Canal division, two more storekeepers for the other two sub-divisions and the continua-
tion, during the next year, of the services of the three assistant clerks, on Rs. 15 each,
intended for the three sub-divisions are proposed. Of the above three clerks, two
have been sanctioned this year for a few months, and the sanction of Government to
the entertainment of the third has been applied for. The temporary sub-overseer
sanctioned in November 1885 is proposed to be kept on during the next year. A
lascar for watching stores and materials at the Madras basin is also recommended.
The survey establishment applied for for the Sangam project and Gudivada divisions
is also necessary and is therefore recommended.

5. Under "Water regulation," the establishment applied for for next year is just
the same as that sanctioned for this year, except a few alterations in the salaries of
the channel superintendents attached to the Nellore division, the saving on which has
been utilised in augmenting the number of lascars. The total for the division remains
unaltered.

STATEMENT of Temporary Office Establishment required for General and Water Regulation purposes of the Department in the several Divisions of the II Circle during the Official Year 1886-87.

ing Engineer II Circle, No. 378 of G. 2^d of 20. 3. 86.

With reference to your endorsement No.
1051 of G. 2^d of 5th Instant, I have the honor to
state that the Executive Engineer Belland
Division was not in order in having ap-
pointed a permanent clerk to class 3^d grade
and a lascar under Spt. Engineer Mr. Peas,
while there were permanent clerks in the
Division available for employment. If
a Clerk and lascar for temporary Overseers
Singanavelu Moadl. were wanted, applica-
tion should be made to Government in
usual course.

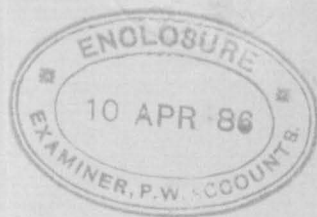

2. The permanent appointments of Clerk
and lascar under Mr. Peas should be
cancelled and one of the 2 clerks and lascars
that were doing duty under Overseers
Newman and Arakiaswami Moadl.
may be deputed to work under the Spt.
Engineer, the requisite establishment for
temporary Overseers Singanavelu Moadl.
being entertained on obtaining Government
sanction for the same.

To,

The Chief Engineer,

Sir,

I have the honor to report that a clerk on Rs. 20 and a Lascar on Rs 6 were appointed by the Executive Engineer Nellore in January 1886 and December 1885 respectively under Assistant Engineer Mr. Pears on special duty in the Nellore Division. This Establishment is properly provided for in the Budget. But the salaries of these men have not as yet been passed by the Examiner who first refused to audit them, stating that the Assistant Engineer should have brought his clerk and Lascar with him from the Kistna District. That objection having been met, he again refused audit, stating that there were two clerks and two

lascars available since Mr. Overseer Newnan was dismissed and Overseer Arokeaswamy died. The Executive Engineer replied to the Examiners that Overseer Singaravulu Modaly took the place of Mr. Newnan and Overseer Donaghue came instead of Overseer Arokeaswamy.

2. The Executive Engineer now recommends the payment of one month's salary to each of them as an advance as the men say they are starving.

3. Considering it a great hardship to keep these men without their salary-payment for more than three months, I have, subject to the approval of Government, authorised an advance of one month's salary to each of them.

4. I have the honor to request that you will be good enough to approve my action and to obtain the sanction of Government for the same under para 479 A. Rule III of the Public Works Code.

I have the honor to be,

Sir,

The Chief Engineer,

Sir,

In continuation of this Office letter
No. 1121.NL. of the 24th March 1886, I have
the honor to bring to your notice that the Executive
Engineer, Nellore Division appointed a tempo-
rary Clerk, 4th class, 3rd grade, and a
temporary Lascar under Mr. S. D. Pears, Assist-
ant Engineer who was transferred to this
Division in November last for completing
the Penner Ancient Project Works, under the
idea that the provision in the Provincial
Budget for detached Officers' Clerks 8% is
sufficient authority for his entertaining the
Establishment referred to above. The sanction
of Government should however have been
applied for before employing the men. The Clerk
No. 20 was entertained from the

forenoon of the 8th January 1886, and the
lascar in December last. As this Establish-
ment is required for the detached Officer
Mr. Pears, and as he is entitled to it under
the rules of the Department, I beg to request
you will be pleased to obtain the sanction
of Government authorising the Examiner
to pass the salaries of the Clerk and lascar
referred to above from the dates of their
entertainment to the end of February last.

2. The necessary provision for these posts
has been made in the statement of Tempo-
rary Establishment for 1886-87 now under
the consideration of Government, and orders
on it are awaited. The objection with regard
to the salaries of the above individuals for
March 1886, and subsequent months, will
be removed on the receipt of the orders of
Government on the statement referred
to above.

3. I take this opportunity, with
reference to your Memo No 399 C. of
the 29th January last, to request the
favor of early orders regarding the scale
