I believe there is
a para in the Code
regarding cost of pandals
but I cannot find
it. Please look it
up.

I cannot find
any para about
pandals. please see
paras 1156-8. and
1173. If the statutes

were really unfit
for use without
the pandals it
seems a question
whether the tenant
should be called
upon to pay.

an ordinary condition
would certainly expect
the tenant to provide
such addition at his own
cost, — but please
note rule under which
the charge against
contingencies is correct.

Now

The charge was made
against contingencies of
the estimate —

In all estimates
it is usual to allow
5 per cent for unforeseen
items "see P.W. Code para

provided by Govt
under para 1156.
It is however doubtful
whether para 1173
does not prohibit
the election of funds

W

I think I may be
authorized to accept
the charge.
