PUBLIC DEPARTMENT.

READ—the following paper :—

Despatch from the Right Honorable Lord RANDOLPH CHURCHILL, Her Majesty's Secretary of State for India, to His Excellency the Right Honorable the Governor in Council, Fort St. George, dated India Office, London, 12th November 1885, No. 42, Public (Records).

It having been decided to publish, in this country, an "India Office list" each year, similar in general principles to the Colonial and Foreign Office lists, it is desirable that the "Histories of services of gazetted officers" for your presidency should continue to be made up to the 1st July each year, and be sent home so as to reach this office not later than the 1st November following.

2. Besides the information contained in the "Histories of services" published in India, it is intended to give particulars of any literary work of a public or official character undertaken by any officer, and I shall be glad if your Excellency will take such steps as may seem necessary to obtain the required information on this point.

ORDER—dated 19th December 1885, No. 2964, Public.

Communicated to the Accountant-General. Heads of departments will furnish that officer with the information required in paragraph 2 of the despatch, in order that it may be embodied in the "History Service will report to the Accountant-General such particulars as they may think fit."
