READ—the following letter from H. T. ROSS, Esq., Registrar of the High Court of Judicature at Madras, to the Chief Secretary to Government, dated 7th April 1886, No. 1276 :—

I am directed to submit, for the early sanction of Government, the accompanying plan and estimates (together with the District Judge's letter) for repairs to the district court-house at Vizagapatam, which appear to be necessary.

2. The amount of the estimate is Rs. 1,861, but it cannot be provided out of the allotment of Rs. 25,000 for "petty constructions and repairs," as the demand for funds for repairs to other court-houses already exceeds that sum.

From

John Kelsall Esquire,
District Judge,
Vizagapatam.

To

H. J. Ross Esquire,
Acting Registrar of the High Court
of Judicature, Appellate Side,
Madras.

Sir,

I have the honor to request
that the sanction of Government
may be obtained for the enclosed
estimate for Rs 1,861.

2. If the work to be done was an
'improvement' only, I should hesitate
to send up the estimate but if the
District Engineer's report is read,
it will be seen that the work is
absolutely necessary.

3. The roof of the court room in
which I sit and which often contains
100 people is "altogether unsafe" the
rafters

rafters are affected by white ants and the trusses that carry the roof have from dry rot lost their strength.

4. The 'Bengal Terrace' must also be remade. It is a flat terraced roof over the record room. It leaks badly and the records below are injured.

5. The work, if sanctioned, might be carried out during the annual recess.

I have &c.

District Judge.
