9TH APRIL 1886, No. 397, PENSION.

GOVERNMENT OF MADRAS.

PENSION DEPARTMENT.

READ—the following paper:—

From D. C. GORDON, Esq., Examiner, Public Works Accounts, to the Under Secretary to Government, Pension Department, dated Madras, 1st April 1886, No. 3-X.

With reference to G.O., Pension Department, No. 270, dated the 12th March 1886, I have the honor to state that the age of the retired Lascar Caroopen as entered in his service book was taken by this office as correct and his application completed accordingly. The second medical opinion referred to in Government Order was also called for—*vide* this office letter, No. 185-S.E. 6th, dated 30th October 1885, copy forwarded with the gratuity application; but on the Superintending Engineer reporting that the lascar was dead, this office had necessarily to base its report on the wording of the original medical certificate, which stated that the lascar was unfit for further service, being old and worn out. The fact of the second medical opinion having been called for was also noted in the remarks of this office on the gratuity application.

2. Under the circumstances above explained, Government may perhaps be disposed to pass further orders on this case.

ORDER—dated 9th April 1886, No. 397, Pension.

The Government regret that they should have overlooked the fact that the Examiner of Public Works Accounts had requested the Superintending Engineer to forward the second medical opinion required by note 2 to section 108 of the Pension Code. They do not think it necessary, however, to modify their order, dated 6th January 1886, No. 10, Pension Department.
