THE SECRETARY TO GOVERNMENT,

MILITARY DEPARTMENT.

SIR,

With reference to O. G. No: 2543, of 26th Instant, I have the honor, by order, to state that the necessary arrangements were made with Mr. W. Misquith of Ootacamund, to rent from the 1st proximo, for 3 months, or for such further period as may be necessary, the building, known as "Mowbray Hotel," as an office for the Assistant Adjutant General Royal Artillery @ Rs. 80 per mensem.

2. Intimation has however just been received from the Executive Engineer Nilgiri Division, to the effect that orders have been passed in his Department to stop all

works on Bombay Castle Buildings until further orders, and Mr. Misquith has in consequence been informed, that the arrangements proposed for the rental of the house in question, must be deferred for the present.

3. As however some of the buildings, notably "Waterloo House" and a building forming part of the premises leased to the Lawrence Asylum Press, are unroofed, the former partly and the latter totally, and these, as well as "Waterloo Cottage", at present used as an office by the Assistant Adjutant General Royal Artillery, greatly need repairs, His Excellency the Commander-in-Chief desires me to urge upon Government the necessity for allotting as soon as possible the required funds, so that the necessary repairs to them may be completed before the monsoon
