ORDER—dated 20th December 1886, No. 3360 W., Public Works.

In their Resolution above recorded, the Government of India have assigned a grant of Rs. 33,500 for Imperial Civil works in this presidency for 1887-88, distributed in the manner detailed below:—

	Minor works.	Repairs.	Establishment.	Tools and plant.	Total.
	RS.	RS.	RS.	RS.	RS.
Postal	10,000	6,000	—	—	—
Telegraph	6,000	5,000	—	—	—
Total	16,000	11,000	6,200	300	33,500

2. The grants for Minor Original Works and Repairs will, as usual, be held at the disposal of the Government, and will be distributed early next year on receipt of detailed proposals from Superintending Engineers and the Consulting Architect.

3. The Superintending Engineer, IV Circle, proposes the following works for execution during 1887-88:—

New post office at Calicut.

Do. do. at Meppadi.

Do. do. at Kalpathi.

Funds cannot be provided for the first two works, as no estimates have been sanctioned for them. The Government of India will be requested to sanction the additional grant of Rs. 2,910 required for the new post office at Kalpathi, for which an estimate was sanctioned in G.O., No. 523 W., dated 16th February 1883.

4. The difference between the budget and revised estimates for 1886-87 is due to the additional grant of Rs. 11,200 sanctioned by the Government of India for the new post office at Madras, and to other modifications of grants sanctioned in the G.Os. quoted in the margin.

5. With these remarks, the preliminary issue of the Imperial Civil Works budget for 1887-88 will be printed and circulated to the officers concerned, and four copies forwarded to the Government of India.
