

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

29th June 1881, No. 991.

READ THE FOLLOWING PAPER :—

No. 373. From Colonel H. T. ROGERS, R E., Superintendent of Madras Survey, to the Secretary to Government, Revenue Department, Ootacamund, dated Coonoor, 10th June 1881, No. 92-G.

With reference to correspondence ending with G.O. of 22nd November 1879, No. 3,947, regarding the construction of an office at Vayitri, I have the honor to request that sanction of Government may be accorded to purchase a hut recently built by Major Freeth in Manantoddy. In G.O., 1st September 1879, No. 1,807, the Government sanctioned an expenditure of Rs. 350 for the construction of a small office in Vayitri; but, under existing circumstances, Manantoddy would be a more central position for an office for the detachment working in Wynaad. It is absolutely necessary to have some room for the safe keeping of instruments, stores, records, &c.; it therefore appears to me that the purchase of this building is advisable.

2. The hut built by Major Freeth is on Government ground; it cost him Rs. 700, and he is willing to sell it for Rs. 350. The dimensions are given in the margin. Major Freeth informs me that the walls of the building are of teak with the exception of parts marked A, B, C, D, which are of mud, and that the roof is of corrugated iron.

No. 374.

ORDER THEREON, 29th June 1881, No. 991.

from Major Freeth of the hut built by that officer at Manantoddy, as an office for the use of the Survey detachment.
