GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

Read—the following papers:—

From Colonel J. BEATTY, R.E., Superintending Engineer, IV Circle, to the Chief Engineer, Public Works Department, dated Ootacamund, 23rd April 1886, No. 123 E.W.

I have the honor to bring to your notice that there is the greatest difficulty in obtaining passed men for clerkships in the Wynaad, and two clerks, Messrs. D'Conceicao and Sahasramana Iyer, who had not passed the required tests, were temporarily employed there—the former from 22nd September 1885 to 11th December 1885, on Rs. 20 per mensem, and the latter from 17th December 1885 to 8th February 1886—and the Examiner has objected to audit their pay for those periods.

2. I have the honor to point out that in G.O., No. 1086 of 19th July 1872, Revenue Department, which was communicated to the Public Works Department, all nominees to appointments in the Wynaad of Rs. 30 and under were exempted from the General Test, and to request that the Examiner may be directed to audit the charges above-mentioned and to admit such charges in future. Of course the Executive Engineer will continue, as vacancies occur, to advertise for passed candidates, and as far as practicable fill up vacancies with such men.

3. I send copies of the correspondence for your information with copy of the Government Order above referred to.

Enclosure.

From Colonel ROSS-THOMPSON, R.E., Executive Engineer, West Coast Division, to the Superintending Engineer, IV Circle, dated Calicut, 15th March 1886, No. 137.

I have the honor to report that clerk Mr. D'Conceicao was employed in the Vayitri sub-division from the 22nd September to 11th December 1885 on a salary of Rs. 20 per mensem.

2. He having been an unpassed man his salary was disallowed by the Examiner, and he was consequently compelled to resign his appointment.

3. After much difficulty the services of one Sahasramana Iyer, a matriculate, were secured on the 17th December 1885, but he having failed to pass the Hand-writing Test, the Examiner disallowed his salary also and the man's services were dispensed with on the 8th February 1886.

4. Owing to the unhealthiness of the Wynaad climate, considerable difficulty is experienced in securing the services of passed men. I have, therefore, to request that, under the circumstances, you will be good enough to address Government specially on the subject and to authorise the Examiner, Public Works Accounts, to audit the pay of the clerks for the days they were actually employed in the sub-division.

Office note from the Examiner, dated 1st May 1886, No. 95.

Order—dated 8th May 1886, No. 1156 W., Public Works.

The Examiner is authorised, as a special case, to pass pay at Rs. 20 per mensem to the two clerks named for the periods specified.

2. The Government Order quoted by the Superintending Engineer has been superseded, so far as the Public Works Department is concerned, by the Departmental Code; and the Government are unable to sanction the general exemption applied for by the Superintending Engineer in paragraph 2 of his letter.

3. When it is found impossible to secure the services of a clerk who has passed the necessary examinations, an unpassed man may be appointed provisionally, and the matter reported at once for the orders of Government.

Proceedings of the Madras Government Revenue Department, 19th July 1872.

[illegible]

No. 151. Read the following Proceedings of the Board of Revenue, dated 9th July 1872, Miscellaneous No. 4756.–

Read the following letter from the Collector of Malabar to the Secretary to the Board of Revenue, dated Calicut, 1st July 1872, No. 156.

I have the honor to inform you that the Offices of District Post Gumastah at Devala and Cherambadi in the Wynaad have again fallen vacant, and it has again been found impossible to induce any passed candidate to accept either post.

2. A man named Kristna Row has been acting at Cherambadi from March 11th and one Chinniah, at Devala from 1st May and, on the recommendation of the Dy. Collector, I have to apply for their exemption from passing the General Test Examination

Examination, so long, as they fill their present posts.

3. Their pay cannot be passed until this course is sanctioned, and it is therefore desirable that sanction should be obtained with as little delay as possible.

4. References such as the above, are constantly being made in regard to the lower appointments in Wynaad for which it is difficult to get candidates at all, far less passed candidates, and I beg to suggest that all nominees to appointments in Wynaad of Rs. 30, and under may be exempted from the General Test.

Submitted for the favorable consideration of Government.

2. The great difficulty experienced in finding men to fill the lower appointments in Wynaad renders some special arrangement of this kind necessary.
