This application will be returned to
the Examiner of Public Works, who will
supply the omissions noted below.

2. In the 3rd page of the application
it is not shown in column 10 how the
service has been verified. It is not
sufficient to state, as is done in this case,
that the service may be verified from
the records of the office of the Examiner of
P. W. Accounts.

3. The service book is incomplete.
In several places the date of termina-
tion of appointment is not
stated

stated nor is the reason of the termination given.

4. It does not appear that the

Mr. applicant appeared before his Divisional
Medical Officer. The Certificate given
by the Judicial Board cannot be
accepted, and the applicant should be
directed to again appear before a
Board with a view to obtaining a
certificate stating the specific disease
from which he is suffering, or to the
detailed reasons required by note 2,
Section 108 of Civil Pension Code, being
given.

5. The Examiners. A. W. Accounts,
should have noticed these omissions
before forwarding the application to
Government.

sufficiently to reply
to para 2 of the Ex.
The fourth page
of the application

Shows clearly that the
service has been verified
from the records of the
Examiners of the Post
Office.

3. With reference
to para 2 of the V.O.,
it is explained that
Mr. Johnston did
appear before the
Surgeon of the 2^d
District, but as
a District Surgeon's
Certificate does not
appear to be required
in the cases mentioned
in Sec. 107, (a) of the
Civil Pension Code,
the document was
not forwarded
with the pension
application. It

It is now enclosed,
it will be seen
that specific ~~cases~~
of diseases are
mentioned as causing
the inability for
further service.
It is not understood
what is meant
by the "Medical"
Board in para
4 of the V.O. Mr.
Johnstone appeared
before the Civil
Standing Medical
Committee at the
Presidency, & as
their report has
indicated the opinion
of a Brigade
Surgeon & two
Surgeons Major,

it was thought
that Note 2 Sec 108
of the Civil Pension
Code did not
apply to the case.

4. In these cir-
cumstances, it is
shown that the
pension to which
Mr. J. M. Stone is
eligible may be
granted without
further report to
the Medical Com-
missioner.

Order thereon N^o 466 d/10 May/86.

Under sections 106 & 113 (c) of the
Civil Pension Code (6th Edition), the
Right Honorable the Governor in
Council is pleased to grant to Mr
John William Johnston, late clerk,
Public Works Secretariat, an invalid
pension of Rupees 40/- forty per
mensem payable at Madras from
the 20th February 1886, in consideration
of his qualifying superior service of

twenty eight days.

2. The medical certificate granted by the District Surgeon was required in this particular case in order that Govt might see whether that officer, who had presumably better opportunities of observing the applicant than the members of the Medical Board, had certified as to the defective memory.

It appears that he does so certify and that he further states certain specific diseases from which the applicant is suffering. If this certificate had, as is usual, though not expressly directed by the Pension Code, been forwarded in the first instance, the necessity for a further reference would have been obviated. The Government however, consider that the instructions contained in Note 2, Section 108 of the Pension Code apply to certificates granted by Medical Boards equally with those

Officer, except that in the former case a second medical opinion is not necessary.
