- (3) That at the conclusion of their year of practical training on works, *i.e.*, on the completion of their third year as students, they will be permanently appointed to the Public Works Department and transferred to the unattached list, and non-commissioned officers under the rank of Sergeant who have been three years in the service will be recommended for promotion to the rank of Sergeant from the date of their transfer to the unattached list.

2. I am to add that no change will be made in the rule under which the military pay, &c., of military students of the upper subordinate class, whilst at the college and whilst undergoing a course of practical training, is charged to the Military Department, and that the regimental promotions to be made, after the first year, in the room of non-commissioned officers studying at the college, will also be a military charge.
