MILITARY DEPARTMENT.

7th May 1886, No. 2777.

Accounts—Burma.

Read the following paper:—

No. 117. *From Colonel O. R. NEWMARCH, Officiating Secretary to the Government of India, Military Department, to Lieutenant-Colonel A. KENNEY-HERBERT, Secretary to the Government of Madras, Military Department; dated Simla, 19th April 1886, No. 27-F.*

Accounts—Burma.

I am directed to acquaint you, for the information of His Excellency the Governor in Council, that the following arrangements for the account and audit of all charges connected with the occupation of Upper Burma have been sanctioned by the Government of India in supersession of those contained in Military Department letter No. 553-F.B., dated the 27th October 1885.

2. The heading "Burma Expeditionary Force" under Grant 14 will be discontinued from the military accounts from the 1st April 1886, and after that date all receipts and charges due to the occupation of Upper Burma will be compiled in those accounts under their ordinary grant heads.

3. All charges for the pay of regimental officers and troops employed in Upper Burma will be adjusted separately in the military accounts of the Presidency to which they belong. But charges for the pay of staff and departmental officers, and of all establishments employed in that province, will be adjusted by the Military Accounts Department, Madras.

4. A separate account (outside the ordinary accounts) of all extra receipts and charges, Military and Marine, due to the occupation of Upper Burma, should be kept and submitted monthly by the Controllers of Military Accounts, Bengal, Madras and Bombay to the Accountant-General, Military Department, in the form prescribed for the Burma Expeditionary Force. This separate account should embrace all charges, such as extra batta of troops; the cost of staff, extra transport, and establishments; feeding troops and cattle; commissariat, ordnance, clothing, and medical stores; railway transport; travelling charges of officers, troops, and establishments, and all contingencies of every kind—in short, all expenditure which, but for the occupation of Upper Burma, would not have been incurred.

5. Charges incurred on this account in the Marine, Civil, Public Works, Telegraph, Railway, Postal, and other departments will be adjusted in the accounts of those departments, only such charges being debited to the Military Account Department as would be debitable under normal conditions in Burma or other provinces.

Communicated to the Controller of Military Accounts and departments concerned, in supersession of Proceedings of Government, No. 6168, dated 5th November 1885.
